

Sievi Comfort

Product code 00-99520-002-00H
00-99520-003-00H

Size 35 - 48

The insoles' surface material is polyamide which transfers moisture from the feet to the lower layer of the insoles. Feet stay dry and comfortable. The heel of the shoe is designed to keep the heel of the foot in its optimal place. Antistatic and breathable insoles comply with ESD norms and are machine-washable at 40°C.
