

Sievi Dual Comfort Plus: Neutral Arch

Product code	00-99530-002-00H 00-99530-003-00H
Size	35 - 48

Insoles which combine all the benefits of the Sievi Dual Comfort insoles and the SieviBalance arch supports for added rotational rigidity and foot control. Sievi Dual Comfort Plus insoles come in three different arch heights to support different feet:

- Neutral Arch for people with low or neutral arches
- High Arch for people with high arches
- Extra High Arch for people with extra high arches
