

## Arktis TR+

Size	35 - 38
Product code	48-12402-172-09M
Safety class	EN ISO 20347:2012 02 CI FO HRO SRC
Sole material	Double density PU/RU, Sievi TractionPro®
Upper material	PU coated leather, Microfiber

The renowned Arktis occupational boot is now available with the Sievi TractionPro® friction sole, developed (primarily) for safety footwear. The PrimaLoft® lining material keeps the heat from the foot inside the boot even if the material is compressed. PrimaLoft® keeps the feet 38% warmer in dry conditions, and twice as warm in wet conditions compared to competing materials. PrimaLoft® is made from 90% recycled fibres from plastic bottles. The laces on top protect the foot even in very snowy conditions.
