

## Arktis

Size	35 - 38
Product code	45-12402-142-OPM
Safety class	EN ISO 20347: 02 SRC FO CI
Sole material	Single Density PU
Upper material	PU coated leather
Last	45

Long leather boots for winter conditions. Ultralight, water-resistant and breathable PrimaLoft® insulation with aluminium and felt insoles that guarantee excellent heat insulation. Upper material is durable, water-resistant PU leather. Adjustable with laces on top for a perfect fit. The friction patterned polyurethane sole gives optimal grip in slippery conditions.
