Sole material	Double density PU/RU
Upper material	Full grain leather, Textile
Last	48

Robust GORE-TEX® combat boots that will keep your feet dry in any weather. The excellent breathability of GORE-TEX® and the shock-absorbing cushions in the Dual insoles make these boots extremely comfortable to wear. Memory Foam ankle protection provides added support and shapes itself to the wearer's foot as it warms. The redesigned winter-grade rubber sole stays flexible even in freezing conditions.
