

## Monica 2

Size	35 - 43
Product code	20-12203-212-07M
Safety class	EN ISO 20347: OB SRC A E FO
Sole material	Single Density PU
Upper material	PU coated leather

A slip-on shoe with adjustable heel strap. There is an elastic band on the inside and on the heel strap. The upper material is easy care PU leather. The XL fit is wider than the standard fit to give your feet more room. Breathable lining. The Sievi Comfort insole and the FlexStep® sole eliminate stress to the feet and spine. The model is EN ISO certified and ESD approved.
