

Sievi Dual Comfort XL

Product code 00-99527-003-00H
00-99527-004-00H

Size 39 - 50

Heel and ball-of-foot shock-absorption cushions in the insoles reduce shocks and stress. The material of the shock-absorption cushions, PORON®, is extremely durable and maintains its properties without falling apart even in rough daily use. Sievi Dual Comfort insoles are available in normal and wide XL models. The insoles comply with ESD norms. Hand wash only.
