

Arktis TR+

Size 35 - 38

Product code 48-12402-172-09M

EN ISO 20347:2012 02 CI Safety class

FO HRO SRC

Sole material Double density PU/RU, Sievi

TractionPro®

Upper material PU coated leather. Microfiber

The renowned Arktis occupational boot is now available with the Sievi TractionPro® friction sole, developed (primarily) for safety footwear. The PrimaLoft® lining material keeps the heat from the foot inside the boot even if the material is compressed. PrimaLoft® keeps the feet 38% warmer in dry conditions, and twice as warm in wet conditions compared to competing materials. Primaloft® is made from 90% recycled fibres from plastic bottles. The laces on top protect the foot even in very snowy conditions.
